SUPERINTENDENT F. N. JOHNSTON

#### DEDICATION

We dedicate this issue of the BELOTTER to Mr. F. N. Johnston, our present Superintendent of Schools and our High School Principal Emeritus.

Though not the last Principal in our venerable building (God rest its creaking joists), he was the last to serve a full term as "Grand Master" of these Hallowed Halls. In the campaign for approval of the New Memorial High School, in the plans and groundwork for the realization of a new and modern Hall of Learning, his guidance was ever present.

It is for reasons such as these, and because of his sincere interest in the youth of Beloit, that we, the CLASS OF NINETEEN HUNDRED AND FIFTY, respectfully dedicate this, the last BELOTTER to be produced wholly at 220 West Grand in the City of Beloit.

#### FOREWORD

For eighty-seven years the building at 220 West Grand Avenue in the city of Beloit has sheltered, educated, and recreated generations of students who have wandered through its doors. In 1908, the old building (whose cornerstone was laid in 1863) had its face lifted, and was remodeled as the BHS we have known. But even now the work of building is not complete. A new and modern edifice to house new generations of future Beloiters is being erected at the corner of Fourth and Middle Streets.

From the hallowed pages of the past, we, the Class of 1950, have depicted this last issue of the Belotter to be published at the West Grand address, as a Memory Album. The administration and faculty have been represented as the Plans we have followed through our high school days. The seniors are pictured as Memories, holding fast to remembrances and acquaintances formed through their high school days. The juniors are seen as Hopes, breathlessly awaiting the day when they too, will graduate. For the sophomores, the day of graduation is still in the land of Dreams, but their time will come at some future date.

From little red schoolhouses down to ultra-modern structures of today, "School Days" has been a recurring theme. This, coupled with our other endeared Memories "when we were a couple of kids" has been left behind, and the Class of 1950 is setting out to continue to grow in adult society, and take its rightful place in society.

#### Valedictorians

JOAN M. KRAEPI IN, JOANNE M. MORASH, PHYLLIS M. EVERILI

The Ct ASS OF 1950 had three people who maintained a straight "A" record throughout the four years normally counted as high school work. In addition to their scholastic achievement, not one of them has contented berself to live by books alone, but rather each has given freely of her time and boundless energy to make Beloit High School activities "bigger and better than ever."

#### JOAN M. KRAEPLIN

Jon is the daughter of Mr. and Mrs. Carl A. Kraeplin of 1260 Partridge Avenue. She attended Roosevelt Junior High School and Todd Grade School. Among her varied high school activities she was especially active in Y-Teens, on the Increscent staff, and has had charge of production of the entire Club Section of this Bit office.

#### JOANNE M. MORASH

Joanne went to Lincoln Junior High School and Royce Grade School. Her parents, Mr. and Mrs. Corey Morath, hive at 1224 Hackett Street. She has been an outstanding cheerleader, news editor of the Increscent, secretary of Student Council, a member of Junior Theatre and on the staff of the Bellotten. These and other activities have kept Joanne one of the busiess seniors in BHS

#### PHYLLIS M. EVERILL

Mr. and Mrs. Royal B. Everdl of 800 Wisconsin Avenue are the parents of Phyllin. She attended Romevelt Junior High School and both Burdge and Weight Grade Schools. Besides being Co-ed for of this Billottin, Phyllin has had her hands full with active work on the Increscent, participation in Junior Theatre, and other activities too numerous to mention

#### SEVEN ADDITIONAL RANKING SENIORS

ven next-ranking students listed below came very close to receiving a straight "A" average. All of them have ally active part in school affairs. Carol Jean Kruse was Editor in-chief of the Ballottin and Jeanne VandenNoven was Co-editor of the Increscent

We, the class of 1950, have every reason to be proud of the record we've left. Entering Beloit High School in 1947, we were a class of 400 excited and enthusiastic sophomores. Everything was different and fascinating. There were Proms, Clubs, pep-sessions, assemblies, a we kly newspaper, elections. Military Ball—and, an annex! # School Administration

We, the Class of Nineteen Hundred and Fifty, wish to thank the School Board for all their hard, diligent work. Through their efforts our dream of a new high school is at last coming true. Only last year we witnessed the ground breaking exercises, wondering how a school could ever rise in only a few years time. Now we have an almost completed school

Each and every one of us owes to these people a debt that can never be repaid. As the years go by, others will take their places but we can always be assured that our children and our children's children will go to competent schools run by competent teachers and utilizing the most recent equipment and knowledge

Becoming a member of the National Honor Society is an honor to which many high school students look forward. The faculty base their selection of members on leadership, scholarship, citizenship, and service. The society is composed of five per cent of the Junior Class and fifteen per cent of the Senior Class.

Those members elected as juniors last year were: Larry Golberg, Evelyn Grebby, Lois Green, Phyllis Gunderson, Mary Hanewall, Carol Kruse, Joan Kraeplin, Nancy Laing, Gerald Lathers, Edgar Lawrence, Janice LeDell, Nancy Mason, Ellen Means, Ronald Moen, Joanne Morash, Patricia Rieff, Holly Samuels, Nancy Sawyer, Jean Schultz, Alan Sorenson, Richard Warn.

## Quill and Scroll

Quill and Scroll is an international honorary society for outstanding high school journalists. It corresponds closely to the National Honor Society in its basic requirements for eligibility. Students must be in the upper third of their class; they must have sixty inches is more of published material or have done superior work in editing or business management; they must be of junior or senior classification; and they must be recommended by the supervisor or by the committee governing publications. The purpose of Quill and Scroll, a non-profit organization, is to encourage and reward individual achievement in journalism. The Beloit High School chapter received its charter in 1934.

As the members are elected in the spring of the year and are in majority seniors, the club has no so-called active program but functions as a purely honorary society. It was the custom to have a banquet in the spring welcoming these new members but this function has, in the last few years, been replaced by participation in the honor-day assembly. On this day the names of members are announced and they receive their Quill and Scroll pins.

Viembers elected as juniors and therefore are standing members are Jeanne Vanden-Noven, Jean Schultz and Tom Krause. New members from the Increscent are: Macy Doyle, I may, Marsh. Rosenie, Michael Spindler, Larry Golberg and Lois Dilly. New members elected from the BELOITER staff are: Phyllis Everill, Carol Jean Kruse, Nancy Laing, Joan Kraeplin, Janice Halderson, Eleano Vivia, Holly Samuels, Bill Iverson, and Martin Kades.

It seems the talented speakers of Beloit High School all went out for forensics this year Interested students may enter in one of the seven fields; extemporaneous speaking, extern poraneous reading, original oratory, non-original oratory, humorous declamation, serious declamation and four minute speeches. In the fall, a forensic contest was held to give the participants some experience and practice. Then in the spring a local contest was held with the winners going on to the League Contest. Winners of this contest go on to the Sectional Contest and then to the Wisconsin Forensic League State Contest in Madison. This year, three students from our high school were winners in the state contest; Barbara Baptist, humorous declamation, Kareen Keller, serious declamation, and Neal Harris, non-original or tory. Let's hope the participants in the years to come may be just as successful as the students this year

Beginning the year with practically an entire new team the debate squad of Beloit High School was considered a good example for the years to come. With the assistance of two of last year's members, Phyllis Everill and Carol Kruse, the new members, Kareen Keller Susia Smith, Shelly Anderson, and Jack Robinson, give a good impression at ill the debates the squad attended. The resolution this year was: "Resolved: The president of the United States should be elected by direct vote of the people." The season was off to a good start when the team went to Janesville for a practice debate last fall. Following this debate the team made its debut at Rockford East High School in an Invitational meet. As a result of the debate the team won two debates out of the four taking place. After another practice debate, at Rockford West this time, the team went on and won two debates out of four at Madison in the district meet. Credit this year should be given to Mr. Robert Pink for his excellent advice and patience in training a good debate team.

The Audio-Visual club is composed of enterprising students with a desire to serve their fellow students and teachers by learning to operate and service the various movie projectors, thin strip machines, recorders, public iddress systems, and a bost of other cqu prient used for teaching purposes. The members come in both before and after school in order to get instruction in how to run the different machines or to set up or take down the equipment used that particular day. They give of their free periods to run the movies for the various classes. After a new member has learned how to operate the equipment, he is given a test which he must pass in order to be able to run the movies. The very nature of the club indicates that they have no special meeting date, but rather, the assignments are given to the various operators through the Audio-Visual office. Some activities the club has participated in are the showing of moon-hour movies during the winter months, music played in the halls during Christmas, and the assembly program put on in the main room this spring

Under the able advisorship of Mr. Smiley, the members have worked out successful plans for the routing of student traffic on the stairs, in order to avoid confusion. The students have cooperated quite well with this arrangement, and only a few have caused any trouble. Meetings are called only when it is felt necessary to have them settly some proclube of the course of the course of the monitors as well as from Mr. Smiley. Although any student who has average grades or better can qualify for a position as hall monitor, preference is given to those who are consciencious and who would really like to be of service to the school and to their fellow students as well. The "B" Club is an organization composed of boys who have won a letter in athletics at Beloit High School. Any boy is eligible to join as soon as he has won this letter. To remain in the club, however, a member must win at least a minor letter each year throughout his high school career. Also a boy may be dropped from the club if he misses three consecutive meetings or does not live up to the Club's constitution.

At the present time the B club boasts a membership of eighty boys. The first meeting of the Sophomore Y-Teens was held on September 20th. The members agreed that the purpose of the club should be "to create a better understanding between girls of other nationalities and religions." The first decision of any importance was the dividing up of the members into three groups. This was done as the 89 members could not hold successful meetings in such a large group.

Among the social events the "Autumn Fling" was the outstanding party of the year. The members also held a hayride and several small group parties. During the Christmas vici tion the groups banded together and went caroling.

With the advice and counsel of their advisors, Miss Evelyn Jones, and Miss Alice Daws, the Sophomore Y-Teens had a very successful year in every respect.

How could 1 is educational institution with such autstaining qualities operate efficiently without a newspiper? Beloit High School has its own tireless staff producing a paper that even the text books can't compete with. It cless is indeed the appropriate descript in. Their meeting days were aptly described by one of its staff as being every day of every week of every monta of every sectool veir. If anything happened around good of BHS it could be sure of being in the following edition of the Incression. Seriously the publishing of this paper is a big op that was well handled this year. The staff and the editors, lean Schultz and Jeanie Vanden Noven kept in their toes and metall deadlines with a minimum of effort, and a lot of work. In this way the student body and the ficulty had an accurate coverage of the school newsall year. Mr. Michna and Mrs. Teska proved to be the "draying" force for the paper and with their efforts the Increscent proved itself to be an outstanding paper.

### Orchestra

The Orchestra of Beloit High School should be commended on the fine performances it presented during the year. Under the capable direction of Mr. Donald B. Cuthbert, the members have accomplished great things. The Orchestra executed with a most professional ability some of the best known symphonic compositions.

The recombined concert, with the Choral Department was given on May 16th at the Lincoln Jumor High School. Some of the outstanding pieces placed were the First Movement of Beethoven's "Symphony No. 1." Suite" by Jean-Baptiste Lully, and the "Russian Sailor's Dance."

One of the outstanding events of the Orchestra this year was the trip to Racine on May 18th, where they presented concerts it the Washington Park High School and Racine Horbek High School. The Racine Orchestra, in turn, presented two concerts here.

I broughout the year the members worked hard to obtain the best musicianship possible. They did a considerable an ount of sight reading, and listened to recerds of famous orchestras in an effort to secure the best interpretation possible.

Not only did the members practice in the regular class period, but they also were required to at tend section a and full orchestra practices. These people should be praised for their continuous work toward perfection.

Even though the Orchestra is soldom mentioned they still should receive credit for their fine work. Concratulations are in order to Mr. Cuthbert and every member of the Orchestra of Beloit High School

The varsity football team won seven out of eight games and placed second in the Big 8 Conference. A 13 to 7 defeat by Madison East in the first conference game deprived the purple of an undefeated season, and also the conference championship. In spite of this one defeat many of the experts regarded this year's team as good as any ever developed by Beloit High School.

The following returning letter winners from the 1948 championship team were largely responsible for the team's fine spirit, and much of its success: Shelvy Bandy, all-conference half-back and leading scorer Gene Knutson, all-conference

end; Fred Dennis, John Hoskins, Kent Smith, Don McClellan, Dick Dawson, Gene Curtis, Bob Reneau, Tom Kunz, Tom Waller, and Norman Zimmerman.

Shelvy Bandy and Gene Knutson repeated this year as all-conference selections. Fred Dennis and John Hoskins also received all conference honors as a guard and tackle respectively. Fred was also chosen by his teammates as their honorary captain. "Knute" received the out-

standing distinction of being placed on the all-state term, and was one of two players in our state to receive honorable mention on the all National prepeleven. Shelvy became one of the leading scorers in Beloit High School history by scoring 9 touch downs for two successive years. Donnie McClellan established an all time Big 8 record by scoring a total of 39 points after touchdowns in three years of competition. Other players who rate with the best in the conference and deserve special mention for their outstanding work are Kent Smith, Dick Dawson, and Leon Bandy.

The following were awarded major letters:

Madison East 13, Beloit 7

Beloit was defeated for the first time in two years in the Big Eight Conference by a hard charging Madison East team, 13 to 7. ## Varsity Basket Ball

McMillan, Allen, Merchant, Hansen, Faucett, Smith, Knutson, Parker, Pantalco, Toelt, Andrews, Shepherd, Schuler

Beloit enjoyed a very successful basketball season this year. After getting off to a slow start by winning only five of the first twelve games, the team caught fire and won thirteen of the remaining fifteen games, for a season's total of eighteen victories and nine defeats. Beloit, by winning nine of fourteen conference games, tied with Madison East and Kenosha for second place in the Big Eight Conference.

The Purple reached its climax in tournament play, winning the regional and sectional championships to reach the state tournament in Madison. The Stateliners' first opponent was Wauwatosa.

the tournament favorite, and by playing the best game of the season, the Purple did away with Tosa 61-51. The Stateliners' next foe was Eau Claire, who defeated Beloit in the last two seconds of the encounter 54-53. Kent Smith. Gene Knutson, and Irv Shepherd were voted to many all state teams. At the end of the season Smith and Knutson were voted co-captains, and Irv Shepherd was voted the most valuable player. Carl Schuler was the winner of the B Club free throw medal, by making good twenty-three of thirty-nine attempts for a sharp 19%. Each one of the starting five players had a shooting average of .300 or better. Pete Pantaleo had the highest average with a keen .345

IRV SHEPHERD

Not enough praise can be showered on Coach Bob Rensberger, who molded such a strong team. The team started off slowly, but at the middle of the season they caught fire and won twelve of their remaining fourteen games. Inclued in this phenomenal record was a winning streak of nine games, which was abruptly halted by Eau Claire. Besides teaching his charges an excellent brand of basketball, Coach Rensberger taught his quintet to be well mannered gentlemen on the floor. Never did one of the Purple cagers lose his temper in any game no matter how trying were the circumstances. In fact, of all the Big Eight Conference

schools. Beloit had the outstanding record in sportsmanship.

The outstanding characteristic of this year's team was the desire to win. Without the fine spirit that prevailed, Beloit couldn't have won the regional and sectional tournaments, and placed so well in the State tournament.

the services of Kent Smith and Leonard Parker, centers; Irv Shepherd and Gene Knutson, forwards; and Pete Pantaleo, guard. Without a doubt these losses will be greatly felt. However, next year's team will have a backbone of five juniors who won major letters, three juniors who won minor letters, and Coach Ken Curriers fine sophomores, who compiled such a fine record th's year

## SEASON'S RECORD

Beloit's initial encounter was against an untested Monroe quintet. The fellows jumped off to a 15-3 first quarter lead, and they were never daunted from piling up a final score of 52-27. The scoring was pretty well divided with Kent Smith's fourteen points being high.

Beloit romped to an easy 61-28 victory over Madison, with Kent Smith and Gene Knutson doing an excellent job of controlling the backboards. Kent Smith was the "big wheel" in the purple onslaught hooping 25 points.

Irv Shepherd's last minute goal was the deciding marker as Beloit downed Sterling 32-30 in an exciting game. Beloit was on the long end of the 17-10 halftime score; but Sterling knotted the score at 28 all as the game ended. Kent Smith and Gene Knutson were high point men with fourteen and nine points, respectively.

The Purple cagers met their first defeat at the hands of a hard playing Racine Park quintet 36-34. The Parkmen leaped off to a commanding lead of 16-4 at the end of the first quarter; and this was too much for the valuant Purple charges, who staged a terrific comeback which wasn't enough

Playing excellent ball in the first half Beloit piled up a 22-13 lead over its traditional rival, Janesville; but this wasn't enough as the Bluebirds came charging back to tie the score 31 all at the finish of the regular game. Janesville proceeded to outscore the Beloit cagers four to two in the overtime; Kent Smith was high point man with thirteen points.

Beloit lost a thrilling encounter to the Clinton, Iowa, "River Kings" 41-38. Beloit trailed 13-7 at the first period, and Clinton increased this margin to 10 points at halftime. The Stateliners pulled within five points of the "River Kings" as the third quarter ended. A last quarter rally by the Purple fell just three points short of victory; Smith and Knutson looked good for Beloit

Coach Bob Rensberger brought his charges back into winning ways as they defeated a strong Kenosha team 46-36. A big rally in the second quarter put the Stateliners in a commanding lead. Gene Knutson and Kent Smith led the Purple with eighteen points apiece.

Belost defeated Racine Horlick in a well played and viciously fought contest 43-36. Horlick led all the first half by two or three points, and held a 19-17 lead at half time. The Purple piled up a 38-28 third period advantage, which was the determining factor in the contest

Beloit bowed to a strong Madison East five 42-30 in an exciting game of basketball. East held a 12-5 lead at the end of the first quarter, and held on to this margin throughout the contest. Beloit staged a rally in the last quarter, but it fell short; East was greatly aided when big Gene Knutson fouled out in the fourth quarter.

Wauwatosa, which was rated second in the state, found Beloit no easy prey cking out a 45-38 victory. The Stateliners were greatly hurt in the second half when Gene Knutson fouled out. Knut had done a good job of holding down Matthiss, who later broke loose for a bushel basket of points, which turned the tide in favor of Tosa. Gene Knutson and Kent Smith led the scoring parade with thirteen points each

Madison West managed to squeeze out a 28-24 victory over the Beloit charges in a very slow and tedious game. The Purple held on to a slight lead at halftime, but the Regents staged a rally in the last half, which netted them victory.

Beloit found "the winning way" against Madison Central and kept on the bright side of the score for the remainder of the season. Led by Kent Smith, who hooped twenty-two points, and Gene Knutson, who did yeoman rebounding service, the Purple charges tripped Madison Central 48-42.

Last minutes points by Gene Knutson and Irv Shepherd were the deciding factor as Beloit downed Rockford East 39-35. Kent Smith, Irv Shepherd and Gene Knutson bore the brunt of the Purple offensive by meshing ten points apiece.

The Stateline quintet completely outplayed the Racine Park five, downing them 49-27. The Purple were on the short end of the 8-7 first quarter score, but a second quarter rally sparked by Kent Smith pur Beloit in a commanding 18-10 lead. The second half was strictly Beloit and more Beloit. Smith and Shepherd led the team in scoring column with eighteen points and twelve points respectively.

Janesville completely out-maneuvered the Stateline five, trouncing them 61-37. Gene Knutson was the only bright spot in the Beloit lineup swishing thirteen points. Janesville jumped to an early 20-7 first quarter lead, and kept the torrid pace up till the final whistle.

Starting the first varsity game in his life Carl Schuler paced Bob Rensberger's quintet to an impressive 52-43 victory over Kenosha, by meshing 22 points. Schuler was greatly aided by Pete Pantaleo, who meshed five of his beautiful long high arching shots. The Purple charges held a 32-18 halftime lead, and coasted the rest of the way. Irv Shepherd gave the crowd a last minute thrill as he meshed a long shot from the middle of the floor with a few seconds remaining in the game.

Coach Bob Rensberger's five gave a good account of themselves as they triumphed over Racine Horlick 38-33. The Stateliners jumped off to a deciding 15-6 lead, and held onto the lead all the way to rack the Purple's eighth conference victory. Irv Shepherd, who meshed three out of four long shots, and Kent Smith were the big guns in Beloit's attack netting eleven and twelve points, respectively.

#### REGIONAL TOURNAMENT

Beloit opened its bid for the state championship by outclassing Wilmot 38-17. Sparked by Irv Shepherd, who meshed two of his deadly long shots, the Statchners jumped off to a 13-1 quarter lead. Coach Rensberger allowed his second stringers to play most of the last half in order to keep the game from turning into a farce. The scoring was well divided. "Bing" Shepherd meshed nine, and Carl Schuler and Kent Smith each netted eight points to spark the Purple.

Belost had an easy time trimming Whitewater 47-24; the Purple sprang to a 13-5 first quarter lead, and from then on the game was never in doubt. Len Parker gave the crowd a thrill as he sunk two beautiful short hook shots. Coach Rensberger again cleared the bench, and all ten players saw much action. Kent Smith, who swished eleven, Irv Shepherd with nine, and Pete Pantaleo with eight points were the big gurs oftensively.

Meeting with stiffer competition the Stateline five triumphed over a dogged five from Flkhorn 49-32. Excellent rebounding was the deciding factor in this encounter; Beloit grabbed a 10-6 quarter lead and gradually increased it to the victory margin. Carl Schuler, who meshed five buckets and six charity tosses, and Kent Smith, who poured fourteen points through the hoop, led the Purple offensive.

### SECTIONAL TOURNAMENT

Belost high school got off to a flying start as they defeated a determined crew from diminutive Cobb 57-42. Belost started off slowly being able to play the Cobbsters on even terms with the score being eight all at quarter time. The Stateliners began to pull away from Cobb in the second quarter as they outscored them 15-8. A third quarter rally sparked by Irv Shepherd and Kent Smith put the Purple quintet in a commanding 44-24 lead. Coach Bob Rensberger cleared the bench in the last period as the Purple coasted to a 57-42 victory. Big hoopsters for the Stateline five were Kent Smith, who netted thirteen points, and Irv Shepherd and Carl Schuler, who each scored eleven points.

Completely outplaying Mount Horeb in third period proved to be the determining factor as Beloit tipped them 49-42. The first quarter found the Stateliners holding on to a slim 14-12 lead; at halftime this meager lead melted to a 27 all tie. Beloit completely outplayed the Mount Horeb quintet in the third quarter, outscoring them 12-5 and in the last quarter the two teams played on even terms. Much credit for this victory must go to Russ Flanson, who did an excellent job i long in for Carl Schuler, because the latter fouled out. Kent Smith, who meshed six buckets and two charity tosses, Pete Pantaleo and Irv Shepherd, who hooped 10 points, and Gene Knutson's eight points were the bright spots in the Stateline attack.

#### STATE TOURNAMENT

Beloit vs. Wauwatasa

Coach Bob Rensberger's charges playing their best game of the season fooled the so-called experts and most everyone; and gained revenge for a previous defeat at Wauwatosa's hands, by trouncing the "Red Raiders" 61-51. Tosa started the game with a burst of speed holding a 21-15 lead at the end of the first period; the Stateliners came fighting back in the second quarter to cut Tosa's margin to a meek 32-29 lead. Beloit, sparked by Kent Smith and Carl Schuler, completely outplayed Tosa in the third period, and gained a six point lead. The Purple went on to increase their victory margin to 61-51 in the final period. Kent Smith played the best game of his career. Kent was all over the floor meshing hooks, potting short shots and superbly rebounding, to accumulate a total of eleven buckets and six charity tosses. Gene Knutson and Carl Schuler hooped 12 and 11 points to aid Smith offensively.

Gene Knutson did an excellent job of controlling the backboards, and he teamed up with Kent Smith in keeping Tosa's big center Matthias well bottled up. Irv Shepard besides playing an excellent floor game, put on an excellent exhibition of stalling in the last thirty seconds of the battle. Probably no one deserves as much credit for this impressive victory as Coach Bob Rensberger, who must have given his charges a terrific talk at halftime, because they played inspired ball the second half.

#### Beloit vs. Eau Claire

Beloit's hopes for a sixth state championship were sunk into a deep abyss when Eau Claire barely edged out the Purple in a heartbreaking contest for the Stateliners. Eau Claire held a slim 16-14 lead in the first quarter, but the Stateliners tied it up at halftime. The "Old Abes" gained a slim 45-43 lead at the end of the third quarter. The fourth period was most exciting as the lead changed hands four times during the eight minutes of play. In the last minute of play Carl Schuler meshed a long shot which put the Stateline five in a 53-52 lead. Then with two seconds to play Olson dropped in a long shot, which gave Eau Claire its meager \$4-53 victory. After Olson dropped in his bucket and the game ended, it was hard for the Beloit cheering section to believe that the Purple had actually lost, but they had. The scoring was very evenly divided; Shepard led the parade with fourteen points, Smith and Schuler each hooped eleven points, and Knutson and Pantaleo accounted for nine and cight points, respectively. Gene Knutson and Kent Smith did an excellent jobof rebounding; and Shepard, Schuler, and Pantaleo played excellent floor games. The game was very hard on the fellows as no substitutes were used. Coach Bob Rensberger's charges played excellent ball, but it seemed that the gods of fate favored Fau-Claire.

## In Appreciation

TOM KRAUSE

l'aking pictures is not always a 'snap', but a lot of hard, painstaking work. Tom Krause has personified these virtues for us with his patience, skill and wit. Tom developed his like for photography when he was in north grade at Lincoln Junior High. His first real job, came at Christmastime that year when he inapped children with 'Santa Claus' at McNeany's. One thing led to another and once in high school, Tom quickly became associated with the Betotter and has been its photographic mainstay ever since. This year, he took 292 action shots around school, over 400 junior pictures, and 70 group snaps—a new record for a Belotter photographer! Next year, Tom part on seiting up his own busi. THE BELOIT PHOTO-FINISHING SERVICE. The sensor class as a whole showed their appreciation to Tom when they elected him 'Busiest Senior Boy'; now we of the Belotter staff want to take this opportunity to express our appreciation to a swell graduate—

GOOD EUCK, TOMPI

## In Sincere Appreciation to Our Advertisers

We, the class of 1950, wish to express our appreciation to the businessmen of Belliit, whose adsimade this annual possible.

Not only do they realize that this is an excellent source of long term advertising, but a source of contact between the students and the businessmen.

We wish to trade especially the Advertising Deart in Fund men bers for their full page ad, and the firm of Law Law Potters at Nystrom, wenteets for the new Menoral High School for their denation in spite of the fact that the architects code prohibits their advertising.
